## Case Studies

### Company

Telecom/Media Conglomerate

### Challenge

Current staffing provider was not exclusively IT, so submitted candidates were lacking necessary technical skills

### Solution

Partnering with an IT-dedicated company allowed for a steady flow of qualified candidates

### Result

50% decrease in time-to-fill, saving the company an average of \$1,200 per day

### Company

Automotive Manufacturing Supplier

### Challenge

Lacked internal development team experienced in new tech to update legacy systems in rapid timeframes

### Solution

Leveraging a global pool of ready-to-deploy IT consultants to fill the needed positions quickly and effectively

### Result

Major migration and upgrades completed below budget and ahead of schedule
